Whether you're weighing solids, liquids, powders or even animals, an Ohaus Triple Beam balance is well equipped to handle the job. The 700 Series provides the convenience of a toploading balance with the durability and versatility to accommodate a range of laboratory and education applications. Some models have a tare beam to allow containers up to 225g to be balanced out, and a variety of weighing platforms are also available. The Ohaus Dial-O-Gram® Series combines the convenience of direct-reading dial calibration with the speed of magnetic damping for a balance that accurately and quickly weighs everything.

- The classic mechanical balance
- Engineered with Ohaus precision and durability
- Choice of five weighing platforms to fit any application; classroom experiments, ink mixing, animal weighing and reagent preparation.
